

DIGITALLI INFOGRAPHIC - 1

We invite all adult education professionals, policymakers, and stakeholders to explore our work and join us in shaping the future of adult learning –digitally and inclusively.

1

Aim: Driving Digital Transformation Forward

DIGITALLI empowers adult education institutions to embrace digital change through capacity-building, innovation, and inclusive strategies for future-ready learning.

2

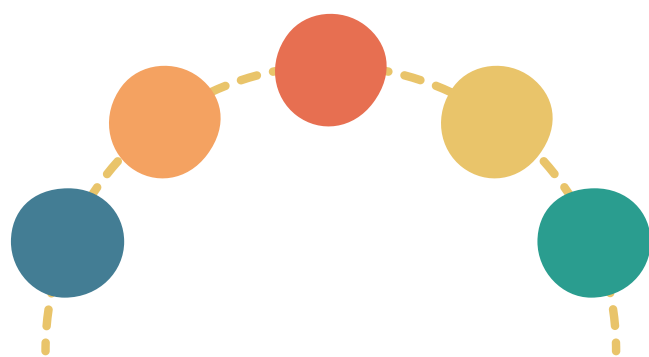

Target : Educators, Staff, and Learners

DIGITALLI supports adult educators, institutional staff, and learners—especially those facing digital exclusion—by strengthening essential digital competences and confidence.

3

Bridging Skills and Opportunities Gap

DIGITALLI fosters digital readiness across Europe by creating learning resources, facilitating collaboration, and promoting AI-enhanced, inclusive educational approaches.

4

Toolkit: Practical Roadmap for Transformation

A comprehensive Toolkit to help institutions evaluate their readiness, design strategies, and implement sustainable, ethical digital transformation processes with measurable results.

5

AI-Based Expert System: Smart Institutional Guidance

An innovative AI platform for customised recommendations, supporting adult learning providers to plan, monitor, and continuously improve their digital transformation journey.
